To: Dare to Dream Children's Camp

Att: Sarah Mkhize

Dear Sarah,

On behalf of everyone at **iKhethelo Children's Village**, we want to extend our heartfelt thanks for the incredible camp experience that **Dare to Dream Children's Camp** extended to our children during the March/April school holidays at Camp Jonathan. Your team created an experience that was truly memorable, and we are so grateful for the time, care, and energy you invested in each one of our children.

Thank you also for assisting so patiently with all the questions and admin that was necessary before our children could attend the camp, your responsiveness helped make it possible for our children to be there without any concerns in the background.

Your program ran beautifully, and we deeply appreciated the well-organised schedule and delicious meals. The spiritual depth, worship, and joy woven into each day left a lasting impression on our children. The children absolutely loved every moment and are still going around shouting "1, 2, 3... Dare to Dream!" with huge smiles on their faces.

Your volunteers were phenomenal, always compassionate, enthusiastic, and professional and they made our children feel safe and special at all times.

Thank you once again for making this camp such a meaningful and unforgettable experience for our 10 children. We hope that we will have the privilege of having our children join you again in the next school holidays.
